

591—6.6(424) Assignment, effectiveness and revocation of permits. A permit cannot be assigned. It is valid only for the person in whose name it is issued. The permit is valid for that person until canceled or revoked by the department. A permit holder selling the business shall request cancellation of the permit, and the purchaser shall apply for a new permit in the purchaser's own name. The department will deny a permit to any applicant who is an individual if the department has received a certificate of noncompliance from the child support recovery unit in regard to the individual, until the unit furnishes the department with a withdrawal of the certificate of noncompliance.

This rule is intended to implement Iowa Code section 424.5 and Iowa Code Supplement chapter 252J.
